MOVING PREP CHECKLIST

FOLLOW THESE STEPS FOR A STRESS-FREE MOVE

1 **PLANNING** (1 - 2 months in advance) *Take things one step at a time. You got this!*

- Book a moving company at least 4 weeks in advance
 - Provide a full inventory of all items your movers will handle
 - Ask about cancellation and rescheduling policies
 - Ask about how damaged items are handled
- Reserve a parking space for the moving truck
- Reserve elevators/loading dock if applicable

The key to a successful move is to be prepared.

Follow these budget-friendly steps to keep your items safe, allow your movers to work efficiently, and **save money on the cost of your move.**

2 **THINGS YOU MIGHT NEED** (Begin gathering 3 - 4 weeks in advance) *Being prepared with the right supplies can make all the difference.*
